VOLUNTEER OPPORTUNITIES

On Site

Registration: Volunteers are needed for both weekend day camps from 8:00 – 10:00 am to greet the kids, assist their parents with registration and release forms, and provide a warm welcome to our military families!

Refreshments: There will be 15 day campers at each Saturday-Sunday session, and we need a few good volunteers to set up, take down, and staff the refreshment table.

Behind the Scenes

A lot goes in to making sure that everything's ready so that when our military families arrive, all is calm and we're can give them a fun, safe Sanctuary Weekend™ experience. If you have an interest in any of the following, we'd love to hear from you. We're looking for fun folks who can contribute their time and talent in these areas:

- **Photography and videography**
- **Fundraising - cash and in-kind, for t-shirts for the campers, single-serving snacks and beverages for up to 20 people per day**
- **Graphic arts (aspiring) genius to create brochures and newsletters**
- **Whatever gifts and skills YOU think can help – for example, lawn care, housekeeping, and spa services for military wives while the kids are at camp, or after their soldier comes home. If want to support our troops and their families, this is your chance!**

This is a Sanctuary Weekend™ event provided by The Sanctuary for Veterans & Families, a project of IHCenter, a 501.c.3 non-profit organization, and Freedom Horses. If you are interested in volunteering, please contact Stacy Bannerman at 541-499-6497 or info@sanctuaryvf.org. We can't do it without YOU!
